

# SNAPSHOTS

A screenshot of a web browser window. The title bar shows a single tab labeled 'Product Details'. The address bar displays 'localhost:8080/PracticeProject4/index.jsp'. The page content features the heading 'Enter Product Details' followed by a horizontal line. Below the line is a form with three input fields: the first contains '100', the second contains 'Mac Book', and the third contains '100000'. An 'ENTER' button is positioned below the third field.

## OUTPUT: Product Details.

A screenshot of a web browser window. The title bar shows a single tab labeled 'Display'. The address bar displays 'localhost:8080/PracticeProject4/display.jsp'. The page content features the heading 'Displaying the Product Details....' followed by a horizontal line. Below the line, the product details are listed: 'Product Id : 100', 'Product Name : Mac Book', and 'Product Price : 100000'.

## OUTPUT: Displaying Product Details.
